

# Ezequiel Stutz Díaz

## MY PORTFOLIO

---

<https://ezestutz.github.io/>

## ABOUT ME

---

I'm a computer analyst, with extracurricular knowledge in web development. I love astronomy, technology and science. I'm a self-taught person and I'm always willing to learn new skills. I consider that I have the ability to adapt myself to any kind of job.

## MY EXPERIENCE

---

### Intern at Capitán Sarmiento city hall

January 2020 - Now / I've developed a website ([capitansarmiento.gob.ar](http://capitansarmiento.gob.ar)), Android Apps ([Google Play Store](#)) and some services.

## MY STUDIES

---

### Computer Science / Universidad Nacional de San Antonio de Areco

August 2020.

### High School / Nuevo Colegio Inglés

December 7, 2016.

Bilingual education.

### First Certificate in English / University of Cambridge

December 2014.

### IGCSE in Mathematics / University of Cambridge

November 2015.
